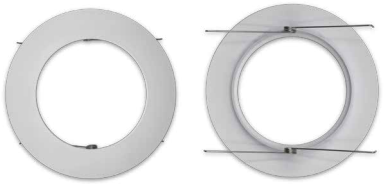
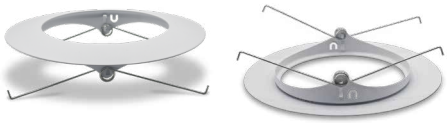
Culla Recessed Downlight Kit

CANTO USA
INNOVATIVE LIGHTING PRODUCTS





Features

- Deep adjustable hanger brackets on socket reduces lamp glare while allowing optimal light output with reflector style lamps.
- Rigid, two-piece pan construction with adjustable hanger brackets ensures years of worry-free performance.
- Adjustable double hanger brackets.
- Easy-access, 14-gauge galvanized steel junction box with two snap-on covers.

Order Guide

You must order the downlight kit and snap-on trim covers separately.
